eric hobsbawm  
s age of extremes was a remarkable phenomenon  
a book of serious and challenging historical analysis that became a worldwide bestseller  
now the new century continues  
hobsbawm's analysis of our twentieth century asking crucial questions about our inheritance from the century of conflict and its meanings for the years to come  
looking back over the last decade to learn something of the new era  
hobsbawm finds the distinction between internal and international conflicts and between state of war and state of peace disappearing  
he goes on to analyse the crisis of the multi ethnic state and shows the distortions of history involved in the creation of its myths  
he expresses his anxiety over the system of international relations between states that have so far

ruled by colonialism and nuclear terror hobsbawm then assesses the impact that a popular global culture has had on every aspect of life from happiness and social hierarchy to nutrition and the environment published this year in dozens of countries throughout the world the new century is a concise summary of the thinking of one of the pre eminent historians
