comprehensively indexed and with an introduction newly written by the editor a leading expert in the field mao zedong and the chinese revolutionis sure to be recognized as a vital reference resource for all serious mao scholars

this volume examines chinese higher education during each of the major periods of its development with a special focus on the indigenous factors unique to the chinese cultural political heritage

china is one of the great question marks on the world stage as we approach the third millennium no longer a sleeping giant neither is china a stable ally of the west economically it is an emerging powerhouse and politically

it is precariously balanced between the free market and military dictatorship there could be no better time to try to understand china s history the distance it has traveled and where it may be going from here than today the chinese century tells the story in over two hundred and fifty rare eloquent photographs that have been chosen from archives libraries and private collections throughout china taiwan and the west many of the photographs have never been seen outside china like a time machine they let us see historical events that for most of us have existed until now only in words the lives of the rural peasants and the privileged elite from the time of the qing dynasty to the people s republic the opulence and squalor that the european colonial powers brought to china in their concession areas the cities within chinese cities that were inhabited exclusively by europeans here are the rare photos of the boxer rebellion and the rape of nanking the great leap forward and the cultural revolution there are quirky moments as well such as american soldiers during the second world war eating their k rations with chopsticks and private photographs of mao zedong covered in river mud after a leisurely swim the photographs are paired with a stunning historical text by one of the west s most respected china scholars jonathan d spence writing here for the first time with his wife annping chin the narrative traces the nation sdisintegration into civil and world war communist revolution and its slow reemergence as a military and economic superpower focusing on the lives of ordinary chinese as well as on the towering figures such as chiang kai shek and meo zedong spence weaves an intricate and fascinating social political and military history

describes the events surrounding the maoist revolution in china

the cultural revolution was a watershed event in the history of the people s republic of china the defining decade of half a century of communist rule before 1966 china was a typical communist state with a command economy and a powerful party able to keep the population under control but during the cultural revolution in a move unprecedented in any communist country mao unleashed the red guards against the party tens of thousands of officials were humiliated tortured and even killed order had to be restored by the military whose methods were often equally brutal roderick macfarquhar and michael schoenhals explain why mao launched the cultural revolution and show his machiavellian role in masterminding it which chinese publications conceal in often horrifying detail they document the hobbesian state that ensued the movement veered out of control and terror paralyzed the country power struggles raged among lin biao zhou enlai deng xiaoping and jiang qing mao s wife and leader of the gang of four while mao often played one against the other after mao s death in reaction to the

killing and the chaos deng xiaoping led china into a reform era in which capitalism flourishes and the party has lost its former authority in its critical analysis of chairman mao and its portrait of a culture in turmoil mao s last revolution offers the most authoritative and compelling account to date of this seminal event in the history of china book jacket
