sermon science brings to bear research and key principles of learning to the development and delivery of sermons this book provides all pastors preachers sunday school teachers and bible study leaders with practical applications from the field of instructional design to move those hearing a sermon from mere listening to learning ultimately the insights gained from sermon science will aid sermon listeners to more effectively recall retain and apply what they have heard not a how to book or list of prescriptions sermon science is a foundational resource for anyone interested in simple elements that can be incorporated to increase sermon impact

written by one of the leading thinkers in environmentalism earthcare brings together merchant's existing work on the topic of women and the environment as well as updated and new essays

earthcare looks at age old historical associations of women with nature beginning with eve and continuing through to environmental activists of today women s commitment to environmental conservation and the problematic assumptions of women as caregivers and men as dominating nature

the bible is not a science book but it is scientifically correct there is not place in the bible that disagree with true science rather it enhances it

impulse explores what people do despite knowing better along with snap decisions that occasionally enrich their lives this eye opening account looks at two kinds of thinking one slow and reflective the other fast but prone to error and shows how our mental tracks switch from the first to the second leading to impulsive behavior
