this first english language biography of bertolt brecht 1898 1956 in two decades paints a strikingly new picture of one of the twentieth century s most controversial cultural icons drawing on letters diaries and unpublished material including brecht s medical records parker offers a rich and enthralling account of brecht s life and work viewed through the prism of the artist tracing his extraordinary life from his formative years in augsburg through the first world war his politicisation during the weimar republic and his years of exile up to the berliner ensemble s dazzling productions in paris and london parker shows how brecht achieved his transformative effect upon world theatre and poetry bertolt brecht a literary life is a powerful portrait of a great compulsively contradictory personality whose artistry left its lasting imprint on modern culture

second the scores of essays and lectures that mann composed during the joseph years 1926 1943 interweave with the mammoth tetralogy in complex ways

in thomas mann s war tobias boes traces how the acclaimed and bestselling author became one of america s most prominent anti fascists and the spokesperson for a german cultural ideal that nazism had perverted thomas mann winner of the 1929 nobel prize in literature and author of such world renowned novels as buddenbrooks and the magic mountain began his self imposed exile in the united states in 1938 having fled his native germany in the wake of nazi persecution and public burnings of his books mann embraced his role as a public intellectual deftly using his literary reputation and his connections in an increasingly global publishing industry to refute nazi propaganda as boes shows mann undertook successful lecture tours of the country and penned widely read articles that alerted us audiences and readers to the dangers of complacency in the face of nazism s existential threat spanning four decades from the eve of world war i when mann was first translated into english to 1952 the year in which he left an america increasingly disfigured by mccarthyism boes establishes mann as a significant figure in the wartime global republic of letters open access edition funded by the national endowment for the humanities

arnold schoenberg and thomas mann two towering figures of twentieth century music and literature both found refuge in the german exile community in los angeles during the nazi era this complete edition of their correspondence provides a glimpse inside their private and public lives and culminates in the famous dispute over mann s novel doctor faustus in the thick of the controversy was theodor adorno then a budding philosopher whose contribution to the faustus affair would make him an enemy of both families gathered here for the first time in english the letters in this essential volume are complemented by diary entries

related articles and other primary source materials as well as an introduction by german studies scholar adrian daub that contextualizes the impact these two great artists had on twentieth century thought and culture

thomas mann arrived in princeton in 1938 in exile from nazi germany and feted in his new country as the greatest living man of letters this beautiful new book from literary critic stanley corngold tells the little known story of mann s early years in america and his encounters with a group of highly gifted émigrés in princeton which came to be called the kahler circle with mann at its center the circle included immensely creative mostly german speaking exiles from nazism foremost mann erich kahler hermann broch and albert einstein all of whom during the circle s nascent years in princeton were stupendously productive in clear engaging prose corngold explores the traces the circle left behind during mann s stay in princeton treating literary works and political statements anecdotes contemporary history and the circle s afterlife weimar in princeton portrays a fascinating scene of cultural production at a critical juncture in the 20th century and the experiences of an extraordinary group of writers and thinkers who gathered together to mourn a lost culture and to reckon with the new world in which they had arrived

drawing on a great wealth of newly available sources this definitive biography recounts the eventful life of a great writer spoilt by success a life lived in the shadow of two world wars and which ended tragically in a suicide pact matuschek examines three major phases in the life of the world famous austrian author his years of apprenticeship his years of success as a professional working writer in salzburg and finally his years of exile in britain the usa and brazil including the sort of personal detail conspicuously absent from zweig s memoir and incorporating newly discovered documents matuschek s biography offers us a privileged view into the private world of the master of psychological insight

this book gives new readings of mann s novels that show how his obsessive subject the artist as thomas mann became a key to central developments of western culture e g to the clash of principles that ended in world war i to the psychic origins and permanent truth of the jewish god story to the disturbing connection between the nazis and the greatest of german artists including mann himself the author shows how mann s famous irony emerges not from nihilism but from a relish for human beings in their idea defying complexity and how this relish keeps his richly philosophic novels alive and delightful as fiction

of thomas mann s public lectures at princeton university on myself is of particular interest since the publication of the german text in 1966 it has been increasingly referred to as the definitive authorial comment on mann s works themes and sources the english version in which it was given in may 1940 appears here for the first time in its two parts entitled from childhood play to death in venice and on my own work together with the two lectures richard wagner and the ring of the nibelung and goethe s werther which thomas mann delivered in english at princeton in 1939 the lectures are put in context by the editor s informative introduction and annotations which also detail mann s handwritten alterations to the typescripts on which the edition is based

this is the first up to date biography in english of thomas mann 1875 1955 perhaps the greatest german novelist of the twentieth century mann was the author of several classics of modern european fiction including death in venice the magic mountain buddenbrooks and the confessions of felix krull confidence trickster the winner of the nobel prize for literature and a staunch opponent of nazism which eventually drove him into exile celebrated biographer donald prater traces mann s life and work from his upbringing in lubeck through his years in munich his exile in the us and his last years in switzerland he discusses mann s relationship with his novelist brother heinrich his homosexuality his career as a prolific essayist and the vast achievement of his novels but the biography devotes particular attention to mann s political thinking and his role in the rise and fall of hitlerism in mann s development from nationalistic conservatism to a vigorous humanist anti nazism prater sees a fascinating and crucially important illustration of the german problem still so much of relevance to the europe of today elegantly written and always entertaining thomas mann a life will take its place as the major biography of mann

a biographical bibliographical guide to the writers who have received the nobel prize in literature provides entries for each nobel prize laureate entries also include the nobel prize in literature presentation speech for the corresponding year and the banquet speech given by the nobel prize laureate

breit ausgemaltes lebensbild der katharina pringsheim frau des dichters thomas mann 1883 1980 mit fotos und quellenangaben
