the simple altar rail and i stopped in my reading to recall the old tune not heard in many many years it came back to me immediately that music by no means classical or artistic but with a lilt a holy charm a thrill of hope and victory in it the vehicle that homely tune of god s promise of love triumphant i sung it over and over went about my work still singing it for as i sang the grace of god again flowed into my life restoring my soul to day i am again proving yet as often of old with thee conversing we forget all time and toil and care labour is rest and pain is sweet if thou my god art there you will pardon this long personal letter i am sure it seems to me that no matter how useful and honored and busy a christian man may be a word of gratitude for help rendered cannot be un acceptable for we so often sow in tears and never know here if someone has gathered food or sweetness where we toiled with weary feet so i venture to thank you from my heart the testimony itself is not confidential but my name i would have you please consider as a confidence yours cordially the hymn amazing grace is a great favorite of mine and i have chosen it as the title of my book in which i aim to set forth some of the wonders of grace and attempt to write upon some aspects of the deeper things of god g w r asbury college wilmore kentucky
