in this groundbreaking study stansfield identifies the principal dynamics of iraqi kurdish
politics and analyzes the record and potential of the kurdish democratic experiment and
explores the development of the kurdish political system since 1991

this book presents collective works published in the recent special issue si entitled digital
signal image and video processing for emerging multimedia technology these works
address the emerging technology in signal processing and its new aspects as well as the
related applications recent developments in image video based deep learning technology
have enabled new services in the field of multimedia and recognition technology the
applications vary and range from digital signal processing to image video and multimedia
signal processing also including object classification learning mechanism design and data
security recent advances in numerical theoretical and experimental methodologies are

presented within the scope of the current book along with the finding of new learning methods and new methodological developments and their limitations this book brings together a collection of inter multidisciplinary works applied to many classification and data security applications in a coherent manner

the failed states of iraq and syria plus the rise and fall of isis have helped lead to near kurdish statehood in iraq the krg and kurdish autonomy in syria rojava in turkey too as illustrated by its negotiations and temporary cease fire with the pkk and the rise of the hdp as the first pro kurdish party to be elected to the turkish parliament as a party and not as mere independents the kurds have reached new heights of recognition these major developments and much more are prominently reflected and developed in this new third edition of historical dictionary of the kurds this third edition of historical dictionary of the kurds contains a chronology an introduction and an extensive bibliography the dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture of the kurds this book is an excellent resource for students researchers and anyone wanting to know more about the kurds

this book explains the dynamics and nature of iraqi kurdistan s de facto statehood since its inception in 1991 in particular the vicissitudes de facto independence since then the work examines de facto statehood in kurdistan and uncovers the dynamics of de facto statehood in kurdistan at internal national and international levels kurdistan s de facto statehood is shown to be inherently characterised by fluidity in this book fluidity is defined as a highly unstable feature of de facto statehood in the relational context of non recognition the book includes interviews with a number of high profile politicians and policy makers from the region these provide unique insights into such issues as the four main factors at play in the fluidity of the de facto state of kurdistan the balance of power between erbil and baghdad the level and form of internal fragmentation the change of strategies to gain international recognition and the uncertain and fluctuating external support this book will be of much interest to students of statehood studies middle eastern politics and international relations

this is a definitive collection of kurdish literature published in english or translated in fiction essays poetry fables and candid life stories this book brings out the heritage of the kurds it does not shy away from painful realities such as physical humiliation of women
