the men who killed gandhi by manohar malgonkar takes readers back into the pages of indian history during the time of the partition featuring the murder plot and assassination of mahatma gandhi the men who killed gandhi is a spellbinding non fictional recreation of the events which led to india s partition the eventual assassination of gandhi and the prosecution of those who were involved in gandhi s murder this historical reenactment is set against the tumultuous backdrop of the british raj malgonkar s book is a result of painstaking research and from also having privileged access to many important documents and photographs related to the assassination there is no doubt that mahatma gandhi played a leading role in obtaining independence from the british but the problems that ensued afterwards such as the structural rebuilding of the country and the partition led to many riots massive migrations and deep racial and cultural divides not everyone agreed with gandhi and his ideals as a result a plot to assassinate gandhi was devised by six individuals named narayan apte gopal godse madanlal pahwa digambar badge and nathuram godse this was eventually carried out in new delhi on the 30th of january 1948 eventually these six individuals were tried and convicted four of them received life sentences while two of them received the death penalty the first publication of the men who killed gandhi occurred in 1978 during the emergency years as a result malgonkar omitted many vital facts including dr ambedkar s role in minimizing savarkar s criminal conviction this 11th edition of the text contains these omitted facts as well as rare documents and photographs obtained from national archives after the four individuals who were convicted for gandhi s murder completed their life sentences they were interviewed by malgonkar these individuals revealed many details to him which were never known before the author also received access to the kapur commission from his friend mr nayar who was in the indian police service as a result the men who killed gandhi is considered the most historically accurate account of gandhi s assassination plot

saffron terrorism is it a fact or is this a myth after all do we know enough the shocking blasts of malegaon and samjhauta were projected as saffron terrorism a new theory terrorist attacks were tainted as such till a few years later kasab's confession offered solid proof of pakistan's role in the 26/11 attacks though the police had concluded a pakistani hand for the earlier blasts it was saffron terrorism which prevented the perpetrators of these attacks from being brought to justice as a theory saffron terrorism is not just hurting hindus sentiments but is also an obstacle to fight real terrorism sponsored by pakistan and islamic states the term was coined by the erstwhile upa government to garner minority votes and manipulate the vote bank after all why were the malegaon accused simi activists let off why did certain politicians declare not to oppose their bail what was truly behind aseem's confession the reliability of these confessions was questionable given the police brutality that the national investigative agency exposed journalist praveen tiwari explores saffron terrorism and reveals through exclusive interviews of senior national investigative agency officials undercover agents and politicians how vote bank politics can compromise ethics and national security should the real masterminds behind the blasts be allowed to go scot free should the manipulators of the samjhauta express bombings not be held accountable should we not investigate those who had exonerated pakistan of its guilt an extensive research on communal politics the book offers indisputable evidence of the saffron terrorism theory as the great indian conspiracy
