how do various social theories explain gender inequality are these theories infused with masculinist biases that need to be redressed with insights from feminist theory to address these questions this collection of original essays features prominent sociologists discussing the strengths and the limitations of the theoretical traditions within which they have worked among the theoretical perspectives included are those of marxism world system theory macrostructural theories rational choice theory neofunctionalism psychoanalysis ethno methodology expectation states theory poststructuralist symbolic interactionism and network theory each of the chapter length essays of the first two sections provides an overview of the theory explains its implications for gender inequality reviews empirical research and comments upon sexist biases or other limitations of the perspective the final section contains chapters on feminist debates over methodology critical commentaries on the preceding papers by four feminist scholars and replies by the original authors

the essays in this interdisciplinary collection share the conviction that modern western paradigms of knowledge and reality are gender biased some contributors challenge and revise western conceptions of the body as the domain of the biological and natural the enemy of reason typically associated with women

in gender inequality feminist theories and politics fourth edition internationally renowned feminist judith lorber examines various evolving theories of gender inequality tightly structured around lorber s own paradigm of reform resistance rebellion this combination text reader acknowledges feminism s significant contributions to redressing gender inequality and celebrates its enormous accomplishments over the last

forty years it also documents feminism's ongoing political activism and with an awareness of postmodern and third wave trends points toward its future significantly rewritten reorganized and updated the fourth edition features seventeen new readings and new sections on feminism in china india south korea and japan in addition the bulleted lists that introduce each type of feminism now include a critique as well as that particular feminism's theories on the sources of gender inequality its politics and its contributions an accessible engaging classic written by one of sociology's first feminists gender inequality feminist theories and politics fourth edition is an ideal undergraduate and graduate text for courses in introductory feminism feminist theory and women's studies

this volume chronicles a quarter century of feminist theorizations on equality and liberty the essays demonstrate a continuing commitment to feminist method a democratic notion that all people have a right to participate in the production of knowledge of the world including legal knowledge and manifest feminism's continuing critical tradition namely theorists willingness to see multiple factors including feminism itself as obstructing enlightened constructions of the world taken together the essays suggest that liberty to make the world is not just a means to an end equality but is a substantive end in itself provided by publisher

this invaluable volume provides an overview of 37 terms theories and concepts frequently used in gender studies which those studying the subject can find difficult to grasp each entry provides a critical definition of the concept examining the background to the idea its usage and the major figures associated with the term taking a truly interdisciplinary and global view of gender studies concepts covered include agency diaspora heteronormativity subjectivity performativity class feminist politics body gender identity reflexivity with cross

referencing and further reading provided throughout the text gender the key concepts unweaves the relationships between different aspects of the field defined as gender studies and is essential for all those studying gender in interdisciplinary contexts as undergraduates postgraduates and beyond

scholars and activists often narrate the history of gender and feminism as a progression of waves said to mark high points of innovation in theory and moments of political breakthrough arguing for the notion of multiple futurities over that of progressive waves beyond gender combines theoretical work with practical applications to provide an advanced introduction to contemporary feminist and sexuality research and advocacy this comprehensive monograph documents the diversification of gender related disciplines and struggles arguing for a multidisciplinary approach to issues formerly subsumed under the unified field of gender studies split into two parts the volume demonstrates how the notion of gender has been criticized by various theories pertaining to masculinity feminism and sexuality and also illustrates how the binary and hierarchical ordering system of gender has been troubled or overcome in practice in queer performance legal critique the classroom and textual analysis taking a fresh approach to contemporary debates in feminist and sexuality studies beyond gender will appeal to undergraduate students interested in fields such as feminism and sexuality studies gender studies feminist theory and masculinity studies

this highly accessible combination of articles with readable and teachable supporting introductions and text enables students to understand assigned readings well enough to be able to come to class ready to ask intelligent questions and engage in critical discussion

the authors introduction gives an account of gender studies what it is and how it originated their selection of

topics is authoritative and the 50 entries reflect the complex multi faceted nature of the field in an accessible dictionary format

as feminist and women positive ideas and ideals exploded in the 1960s and 1970s a sexual revolution was forged allowing women a variety of lifestyle choices many current feminists called gender feminists by some too often are fighting to limit the sexual options of women they view women as victims of patriarchy whom must be protected from making incorrect sexual choices such as choosing to work in pornography or prostitution as a movement author mcelroy believes feminism is in danger of drifting from sexual liberation to sexual correctness this work gives a critical overview of the ideological shift among many feminists the issues of sexual correctness are examined in detail showing how the changing ideology is destroying the principle of a woman s body a woman s right and endangering women s right to choose on each issue this work presents alternatives in the individualist traditions that defined the feminism movement for many years

western political theory typically incorporates certain assumptions about sex and gender as natural unvarying and pre political this book critically examines these assumptions and shows how recent scholarship undermines the illusion that bodies exist outside politics and beyond the reach of the state leading political theorist mary hawkesworth s cutting edge intersectional account demonstrates how popular conceptions of human nature public and private citizenship liberty the state and injustice relegate women people of color sexual minorities and gender variant people to inferior status despite constitutional guarantees of equality before the law hawkesworth argues that traditional political theory has contributed to the perpetuation of pernicious forms of injustice by masking the state s role in the creation of subordinated

and stigmatized subjects the book draws insights from critical race feminist postcolonial queer and trans theory to give a compelling original and highly readable introduction to historical and contemporary debates on gender and political theory for students

with intellectual reference points that include foucault and freud wittig kristeva and irigaray this is one of the most talked about scholarly works of the past fifty years and is perhaps the essential work of contemporary feminist thought

they all raise gender related issues that affect the beliefs and actions of contemporary women and men the writings in this widely diversified anthology consider these issues mainly from feminist perspectives plus other issues equally provocative the authors of the selections female and male straight and gay and representing minority as well as dominant cultural perspectives draw on their own experiences to philosophize and draw conclusions based on thoughtful analysis helpful introductions and thought provoking questions by the editor set the stage for each article and then raise further areas for thought on the part of the reader

at no point in recorded history has there been an absence of intense and heated discussion about the subject of how to conduct relations between women and men this handbook provides a comprehensive guide to these omnipresent issues and debates mapping the present and future of thinking about feminist theory the chapters gathered here present the state of the art in scholarship in the field covering epistemology and marginality literary visual and cultural representations sexuality macro and microeconomics of gender conflict and peace the most important consensus in this volume is that a central

organizing tenet of feminism is its willingness to examine the ways in which gender and relations between women and men have been and are organized the authors bring a shared commitment to the critical appraisal of gender relations as well as a recognition that to think theoretically is not to detach concerns from lived experience but to extend the possibilities of understanding with this focus on theory and theorizing about the world in which we live this handbook asks us across all disciplines and situations to abandon our taken for granted assumptions about the world and interrogate both the origin and the implications of our ideas about gender relations and feminism it is an essential reference work for advanced students and academics not only of feminist theory but of gender and sexuality across the humanities and social sciences

feminist theory in diverse productive practices is the second of two volumes examining gender and feminist theory in educational philosophy and theory this collection explores the difference that gender and sexual identities make both to theorizing and working in education and other fields as the articles contained in this text span nearly 40 years of scholarship related to these issues this volume sheds light on how feminist gender and sexuality theory has evolved within and beyond the field of philosophy of education over time key themes explored in the book include women s ways of knowing the challenges women and girls face in taking up professional employment across diverse fields historically and today and how feminist and related theories can enable women in professional development roles to empower each other the book tells a rich story of how gender and sexuality theory has been brought to bear on discussions of educational practice in diverse fields over decades of publication of educational philosophy and theory feminist theory in diverse productive practices will be key reading for academics researchers and postgraduate students in the fields of philosophy of education philosophy education educational theory post structural theory and the policy

and politics of education

around the world we see a participatory turn in the pursuit of gender equality exemplified by the adoption of gender quotas in national legislatures to promote women's role as decision makers we also see a pluralism turn with increasing legal recognition given to the customary law or religious law of minority groups and indigenous peoples to date the former trend has primarily benefitted majority women and the latter has primarily benefitted minority men neither has effectively ensured the participation of minority women in response multicultural feminists have proposed institutional innovations to strengthen the voice of minority women both at the state level and in decisions about the interpretation and evolution of cultural and religious practices this volume explores the connection between gender parity and multicultural feminism both at the level of theory and in practice the authors explore a range of cases from europe latin america the middle east and africa in relation to state law customary law religious law and indigenous law while many obstacles remain and many women continue to suffer from the paradox of multicultural vulnerability these innovations in theory and practice offer new prospects for reconciling gender equality and pluralism

this book is a collection of contributed chapters that explores the application of feminist theory and women empowerment in the 21st century and the role that gender plays in society

in this trenchant inquiry into the state of feminism angela mcrobbie breaks open the politics of sexual equality and affirmative feminism and sets down a new theory of gender power challenging the most basic assumptions of the end of feminism this book argues that invidious forms of gender re stabilisation are being re established consumer and popular culture encroach on the terrain of so called female freedom appearing

supportive of female success yet tying women into new post feminist neurotic dependencies with a scathing critique of women s empowerment mcrobbie has developed a distinctive feminist analysis that she uses to examine socio cultural phenomena embedded in contemporary women s lives from fashion photography and the television make over genre to eating disorders body anxiety and illegible rage a turning point in feminist theory the aftermath of feminism will set a new agenda for gender studies and cultural studies

this breathtakingly broad interdisciplinary reader demonstrates how widely feminist thinking has spread how deeply it has shaken settled assumptions in the disciplines and how much new light it throws on contemporary controversies myra marx ferree university of wisconsin madison a timely intervention and highly engaged thoughtful and scholarly analysis of the state of gender and women s studies in the west by three eminent feminist scholars highly cognisant of the central issues that have fractured blocked and enhanced western feminism bev skeggs goldsmiths the comprehensiveness and the interdisciplinary range of themes are impressive and they make the handbook into a wonderful tool for teachers and students of women s and gender studies nina lykke linkoepping university gender and women s studies is one of the most challenging fields within the social sciences the dynamics of gender relations and the social and cultural implications of gender constructions offer a lively forum of debate the handbook of gender and women s studies presents a comprehensive and engaging review of the most recent developments within the field including the study of masculinity the feminist implications of postmodernism the cultural turn and globalization the authors review current research and offer critical analyses of women s and gender studies in work the welfare state family education religion violence and war and feminist global politics edited by three leading academics from europe and the united states and with 25 chapters written by scholars based

throughout the world the handbook situates the most important debates in the field within a uniquely international and interdisciplinary context the handbook is a useful introduction to gender theory and an exciting starting point for fresh debates

the political interests of gender starts from the premise that contemporary political theory is inadequate when approached from the perspective of gender the book indicts contemporary political analysis for its silence about or ignorance of women s interests and challenges the hypothesis that the central concepts of political thought and its basic techniques are value neutral the contributors go on to consider what political theory and political communities would look like if women s interestes were addressed the aim is to reconstruct the methodology of political analysis to conceptualize political reality in terms of gender the book presents a powerful argument that to conside
