this book weaves all of these factors together to engage in and promote medical biomedical and psychosocial interventions including lifestyle changes for healthier aging outcomes the text begins with an introduction to age related changes that increase in disease and disability commonly associated with old age written by experts in healthy aging the text approaches the principles of disease and disability prevention via specific health issues each chapter highlights the challenge of not just increasing life expectancy but also decreasing disease burden and disability in old age the text then shifts into the whole person implications for clinicians working with older patients including the social and cultural considerations that are necessary for improved outcomes as baby boomers age and healthcare systems worldwide adjust healthy aging is an important resource for those working with older patients including geriatricians family medicine physicians nurses gerontologists students public health administrators and all other medical professionals

both europe and the us have now dampened the shrillness of the invective hurled against each other over the last years but the underlying differences have not been resolved the two sides drift apart in their views on what internal politics should achieve as well as in their vision of the global order they would like to see established the economies of both europe and the us are highly developed and densely interwoven their societies are post industrial many social and economic trends converge similar too are the challenges to maintain security against threats emanating from other parts of the world divergences thus do not originate from conflicting material interests they arise from different perceptions of the nature and of threats from the outside world from how the two societies wish to define themselves through their internal and external policies the search for a distinct european or american identity fuels this discord therefore appeals to common merely material interests will not obliterate it the contributions to this book come from altogether twelve authors each of them addressing the issues from the

perspective of his or her own discipline the book aims to reach not just academia but also beyond to those that are involved in actual international decision making

by analysing the irish development strategy this book questions its much portrayed success the republic of ireland has followed an export oriented development path relying on foreign direct investment inflows as the main development agent however this chosen path of development has led to growing industrial social and developmental polarisations despite the indisputable impressive overall growth figures growth is primarily driven by the investing multinationals and the inequality of earnings have been exacerbated thus questioning the irish growth model s success

tax planning for u s companies doing business in the eu analyses the design of tax conversion and deferral structures that are advantageous to u s multinationals to reach their goals minimizing liability maximizing credits deducting expenses and utilizing losses using tools such as routing of income and classification of entities and overcoming barriers like the cfc provisions of the u s tax law examines u s federal corporate law and analyses european company taxation with specific tax planning techniques for germany france the netherlands belgium austria denmark ireland spain luxembourg and switzerland

a fortnightly bulletin on financial and political trends

europe is getting closer so are european social sciences however this is easier done in theory development and central research questions when it comes to data the mutual understanding is far from perfect due to a lack of knowledge about the data bases of the respective countries and the eu in general this volume will help to improve the insight into the rich stock of european datasets which cover any kind of regional information many institutions ranging from statistical offices to more academic research centres and commercial enterprises report their offerings with special emphasis on the regional level e g european community household panel european social survey labour force survey

this book reflects on the public policies programmes and regulatory frameworks that are taking a rights based approach to expanding social protection coverage and benefits in latin america with a view to achieving universal coverage its discussion of the policy tools and programmes pursued in the region aims to provide the reader with technical and programmatic insights for assembling and coordinating public policies within consistent and sustainable social protection systems the combination of normative orientations and stock of technical knowledge together with advances regarding the rights based approach to social protection within a life cycle framework afford the reader not only a tool box of specific social protection instruments but also an in depth examination of related political economy aspects

gender equality in terms of economic and financial opportunities is becoming increasingly relevant at both national and international level the need to address the financial literacy of women and girls as a way to improve their financial empowerment opportunities and well being has been acknowledged by the g20 leaders declaration in june 2012 as well as part of a wider horizontal oecd project on gender equality the oecd international network on financial education

infe established a dedicated workstream in 2010 to address the needs of women for financial education under the support of the russia world bank oecd trust fund for financial literacy and education this book collects the work carried out within this workstream including policy guidance to help policy makers address women s and girls needs for financial education and a comprehensive analysis of the current status of knowledge on gender differences in financial literacy

this 20e contains 400 articles which represent a thoroughly updated and expanded look at the entire field of social work the 4 volumes cover all aspects of social work from practice interventions social environments social conditions and challenges to social policy and history co published by oup and the national assoc of social workers usa
