what is strategy why do you need it how do you do it and how can you be more certain to succeed the art of strategy provides timeless answers to these eternal questions it is a short introduction to strategy through the insights of three successful strategists sun tzu john boyd and simon wardley it is a modern reading of sun tzu's the art of war the strategy classic written in china around 500 bc using the lenses of boyd ooda loop inventor and wardley wardley map inventor who were both influenced by sun tzu each chapter gently transforms the art of war into a modern business setting and includes material from boyd and wardley in separate sections to complement and clarify sun tzu's terse poetic text the idea is to serve strategy in 13 short chapters requiring 5-10 minutes of reading time each an extensive glossary is included since many chinese concepts are purposefully abstract and ambiguous you will discover new thinking patterns e.g. ooda loops and situational awareness as well as visualization tools like wardley maps that will help you and your organization succeed together with your stakeholders you will also improve your understanding of the sometimes evil political gameplays and counter measures used by nancy pelosi boris johnson donald trump vladimir putin and xǐ jīnpíng who are all inspired by sun tzu in some cases indirectly via boyd a great little book with loads of maps in there simon wardley inventor of wardley mapping an excellent fusion of sun tzu boyd and wardley that is beautifully laid out highly readable and very straightforward in compressing the learning curve on all three mark j mcgrath chief learning officer erik schōn has created a great example of boyd's snowmobile a synthesis across a variety of domains leading to new insights and capabilities i'm sure every strategist business leader and entrepreneur will find valuable ideas for making their own enterprises more competitive chet richards author of certain to win the strategy of john boyd applied to

business the art of strategy is condensed knowledge that all managers agile coaches and other leaders should have these are three thinkers from very different contexts but as erik has put it with similarities and differences topic by topic a fourth voice appears that voice belongs to the interaction between the three narrators and it gives as much value to me as a reader as the other three voices do staffan n[?]teberg author of monotasking the summary and independent look on modern strategy right now markus andrezak founder and managing partner

does watching your paycheck make you want to quit the daily grind for good big bills to pay and you need that extra 1000 to make ends meet ever found yourself in a situation where you want to drive back home before you even reach your workplace tired and bored of the job you do no passion and zero sense of fulfillment well there is this one stop solution for all those issues if you have any spare time on you stop wondering what to do and step into the world of side hustling but wait you still need ideas and guidance on what side hustle to do worry not i perfectly understand your story since i have been there too i know the pain of working so hard from 9 5 and earning too little to pay the enormous bills stacking up at your face what s worse when your remunerations don t meet up with your inputs i call it quits in the corporate world and started my own side business even though i earned very little initially i was determined to make it work thanks to my urge to attain financial freedom and that s what became my drive the breakthrough came when i discovered how to turn my hobby and passion for money and make a living out of it guess what it works and anyone can do it with just the right guidance this book will show you how to start a side hustle and make that extra 1000 per month even if you don t intend to quit your 9 5 job what you will learn side hustle ideas that can get you started how to use your positive attributes and strengths to create a side gig how to identify the most suitable side gig how to monetize your skills and passions how to take strategic steps to build a side business how to balance your side hustle with your 9 5 job who is this book for if you are that one person who has always been the curious kind and always wondering what more you could be doing with your talents and skills then this is the book for you if you re still not ready to quit your full time job but have always wanted to get the ball rolling to see what else you re good at or maybe you want more out of life this book will 100 get you thinking more about yourself and your side hustle in a new and innovative way the concepts in this book will help you get your side gig off the ground and rolling wait no more now is the time to turn your skills and passion into real dollar bills scroll up hit the buy now button and grab your copy now
