besides the verismtm professional courseware isbn 9789401830847 publication you are advised to obtain the publication verismtm a service management approach for the digital age isbn 9789401802406 service management has never been so important as all organizations are either receiving or providing services to and from others as digitization has spread through our organizations and culture it has become a vital part of our workplace verismtm provides guidance on how to manage the variety of service management approaches which have now become common practice often organizations do not know how to combine these approaches or if they should adopt one or another in preference verismtm allows an organization to understand how to make the best use of all of its approaches the courseware is designed to support your learning about the verismtm concepts and to be a guide to your understanding of service management and its use across the whole organization

professional wrestling is one of the most popular performance practices in the united states and around the world drawing millions of spectators to live events and televised broadcasts the displays of violence simulated and actual may be the obvious appeal but that is just the beginning fans debate performance choices with as much energy as they argue

about their favorite wrestlers the ongoing scenarios and presentations of manly and not so manly characters from the flamboyantly feminine to the hypermasculine simultaneously celebrate and critique parody and affirm the american dream and the masculine ideal sharon mazer looks at the world of professional wrestling from a fan s eye view high in the stands and from ringside in the wrestlers gym she investigates how performances are constructed and sold to spectators both on a local level and in the big leagues of the wwf e she shares a close up view of a group of wrestlers as they work out get their faces pushed to the mat as part of their initiation into the fraternity of the ring and dream of stardom in later chapters mazer explores professional wrestling s carnivalesque presentation of masculinities ranging from the cute to the brute as well as the way in which the performances of women wrestlers often enter into the realm of pornographic finally she explores the question of the real and the fake as the fans themselves confront it first published in 1998 this new edition of professional wrestling sport and spectacle both preserves the original s snapshot of the wrestling scene of the 1980s and 1990s and features an up to date perspective on the current state of play
