from the author of love at first set a new irresistible enemies to lovers grumpy sunshine queer romcom for fans of delilah green doesn t care about a wedding obsessed city girl who inherits a horse farm from her estranged late aunt and clashes with the cocky unfairly hot farrier who thinks she s going to run the barn into the ground molly mcdaniel s life is falling apart between her day job as a barista her night job at a call center and her crushing student loans she s barely getting by and that dream she has of starting a wedding event planning business the dream that led to all those student loan in the first place she can feel it slipping farther and farther out of reach every day so the absolute last thing she needs is to discover she s inherited a run down struggling horse barn out of the blue courtesy of her estranged late aunt molly is so ill equipped to run the barn it s laughable she certainly doesn t have the money time or knowledge needed to save it no matter how much faith everyone who loved her aunt has that she will but the more molly gets involved the more she starts to wonder maybe the barn is a blessing in disguise if she can sell the land the profits could be the small business seed money miracle she s been waiting for so what if she s starting to love everyone

in the mismatched family she's found here well everyone except shani the resident farrier and family friend who took care of molly's aunt in her last days judgmental grouchy shani who refuses to give up on the barn who walks around like she so much better than molly who's actually really good with the horses and kind of thoughtful and obnoxiously hot and unfailingly loyal and suddenly shani has become an entirely different kind of problem one molly can't possibly solve not without risking her whole future no matter how much her heart wishes she could

incorporating more than one linguistic code or mode of expression in literary and artistic productions has quickly grown over the last two decades this volume pays special attention to the dynamic rise of code switching especially in literature and performative arts and explores strategies used by contemporary artists to compose their multilingual narratives as well as moves beyond the linguistic level in the direction of multimodality the innovative frameworks and descriptions intend to highlight the different ways in which art unlike ordinary language use manifests language mixing and switching besides the papers by both young and established scholars the volume includes a section of valuable contributions from multilingual authors and artists to bridge the gap between academic approaches and creative professional practices
