food plays a major part in shaping human animal relations from nurturing farm and zoo animals to bringing wild birds into suburban gardens food mediated interactions create personal interspecies bonds enrich and alter environments change species distributions enable new relationships and reconfigure social perspectives but also lead to many concerns over health and disease for example as well as conflicts over spaces and resources however previous attention has almost exclusively focused on the purpose driven utilitarian and economic aspects of feeding rather than the affective and emotional encounters that motivate many feeding practices presenting new research and interdisciplinary case

studies the hand that feeds considers animal feeding from historic to modern times the volume explores the nuances and complexity of non utilitarian feeding relationships across urban and rural divides in the wild on the farm at the zoo and in the garden and how our feeding relationships have altered animal distributions and behaviours the authors scrutinise contrasts between which species are promoted and which are persecuted and how the species we choose to feed reflects broader world views and cultural values ultimately this volume engages in the discussion of how we feed why we feed which animals we deem worthy of feeding and the widespread impacts of feeding relations praise for the hand that feeds an innovative and exciting collection of studies exploring the cultural phenomenon of animal feeding drawing on cutting edge approaches and case studies from wild raptors to livestock and zoo animals the hand that feeds has started a new conversation on this fundamental relationship between other species and ourselves aleks pluskowski university of reading this fascinating book explores the how why and consequences of people feeding other species drawing on perspectives from the historical life and social sciences different voices bring diverse observations and viewpoints to a refreshingly lively and informative discussion of a topic that is anything but simple terry o connor university of york this is a fantastic interdisciplinary collection interrogating how human animal relations are mediated by food food can be an enticement a medicine or a poison it can be a vehicle for protection and bonding or distance and killing dolly jørgensen university of stavanger

a practical hands on guide into the essentials of composing and publishing for ebooks the kit provides advice and step by step instructions on how to set up a file for conversion into the dominant formats of epub xhtml and pdf and then how to package it for uploading to online distributors such as amazon apple and kobo by starting with a master file that is similar to that created for print or print on demand production the kit also provides strategies for getting out the word about your title to the global community

the food markets of barcelona host thousands of customers daily from tourists eager to sample fresh fruits and grilled seafood to neighborhood cooks in search of high quality ingredients while other countries experienced major shifts away from the public market model in the twentieth century barcelona's food markets remained fundamental to the city's identity economy and culture montserrat miller's feeding barcelona 1714 1975 examines the causes behind the extraordinary vibrancy and tenacity of the barcelonan market system miller argues that recurrent revolutionary uprisings in barcelona beginning in the mid eighteenth century forced ongoing collaboration between the public and private sectors to ensure adequate and effective food distribution municipal support permitted small scale food sellers in barcelona to survive in a period more commonly characterized by increasing capitalization in food retail while the importance of food markets to barcelona s social networks enhanced vendors ability to recognize and adapt to changing customer demands in addition a high number of stalls owned by women contributed both to the financial well being of vendor families and to the sociability patterns that placed neighborhood food markets at the center of daily life in the city the shared commitment of vendors shoppers and government officials to a market model of food sales created the lasting and unique market system that persists in barcelona to this day drawing from extensive archival research and numerous interviews with individuals at all levels of the market system feeding barcelona 1714 1975 is the first detailed history of the historical and social influences that create urban food markets

a century ago only local charities existed to feed children today 368 million children receive school

lunches in 151 countries in programs supported by state and national governments in feeding the future jennifer geist rutledge investigates how and why states have assumed responsibility for feeding children chronicling the origins and spread of school lunch programs around the world starting with the adoption of these programs in the united states and some western european nations and then tracing their growth through the efforts of the world food program the primary focus of feeding the future is on social policy formation how and why did school lunch programs emerge given that all countries developed education systems why do some countries have these programs and others do not rutledge draws on a wealth of information including archival resources interviews with national policymakers in several countries united nations data and agricultural statistics to underscore the ways in which a combination of ideological and material factors led to the creation of these enduringly popular policies she shows that in many ways these programs emerged largely as an unintended effect of agricultural policy that rewarded farmers for producing surpluses school lunches provided a ready outlet for this surplus she also describes how in each of the cases of school lunch creation policy entrepreneurs motivated by a commitment to alleviate childhood malnutrition harnessed different ideas that were relevant to their state or organization in order to funnel these agricultural surpluses into school lunch programs the public debate over how we feed our children is becoming more and more politically charged feeding the future provides vital background to these debates illuminating the history of food policies and the ways our food system is shaped by global social policy

find the beauty in 2017 writer and educator rahul mehta began a writing practice to find solace and beauty in the natural world in their family and friends and in everyday simplicities during a time of political tensions environmental disasters a global pandemic and personal disappointment from the vibrant color of a blade of grass to their dog sleeping quietly in the corner to delicate petals fallen from a rose a mindfulness of the beauty in their surroundings helped offset the feelings of fear outrage and helplessness the result of this exercise is a profoundly moving poetry collection that explores mehta s south asian and appalachian culture their queerness their relationships with self and others race privilege and a deep admiration of nature and the spiritual realm with the ear of a poet and a novelist s understanding of narrative motion mehta draws in the reader through humor tenderness and complexity this debut poetry collection from the lambda literary award winning writer is a magnificent celebration of our own ordinary yet miraculous daily lives an acknowledgment of the messy beauty ugly beauty in the world
