the international bestseller new york public library s top 10 think thrifty reads of 2023 this book blew my mind more importantly it made financial independence seem achievable i read financial freedom three times cover to cover lifehacker money is unlimited time is not become financially independent as fast as possible in 2010 24 year old grant sabatier woke up to find he had 2 26 in his bank account five years later he had a net worth of over 1 25 million and cnbc began calling him the millennial millionaire by age 30 he had reached financial independence along the way he uncovered that most of the accepted wisdom about money work and retirement is either incorrect incomplete or so old school it s obsolete financial freedom is a step by step path to make more money in less time so you have more time for the things you love it challenges the accepted narrative of spending decades working a traditional 9 to 5 job pinching pennies and finally earning the right to retirement at age 65 and instead offers readers an alternative forget everything you ve ever learned about money so that you can actually live the life you want sabatier offers surprising counter intuitive advice on topics such as how to create profitable side hustles that you can turn into passive income streams or full time businesses save money without giving up what makes you happy negotiate more out of your employer than you thought possible

travel the world for less live for free or better yet make money on your living situation create a simple money making portfolio that only needs minor adjustments think creatively there are so many ways to make money but we don t see them but most importantly sabatier highlights that while one s ability to make money is limitless one s time is not there s also a limit to how much you can save but not to how much money you can make no one should spend precious years working at a job they dislike or worrying about how to make ends meet perhaps the biggest surprise you need less money to retire at age 30 than you do at age 65 financial freedom is not merely a laundry list of advice to follow to get rich quick it s a practical roadmap to living life on one s own terms as soon as possible

digital marketing guide for start up entrepreneurs is a practical step by step guide that will help budding entrepreneurs in setting up and executing their digital marketing strategy from scratch to achieve the goals they have set for their start ups topics covered in this book include search engine optimization content marketing social media marketing search engine marketing and online reputation management are essential for entrepreneurs to learn and master for the success of their start up the author guides entrepreneurs in establishing a digital presence of their startups to jet fuel their business growth he brings in real life examples and insights gained from executing digital marketing strategies for start ups and small businesses this book is perfect for start up entrepreneurs founders marketers and small business owners who are unaware of digital marketing concepts and how to use digital marketing for their advantage it will give them practical tips on applying digital marketing to increase their brand awareness and sales a concise book that can be completed quickly the text serves as a reference guide for start up entrepreneurs to which they can always come back to while setting up and executing their digital marketing strategy

do you have a story to tell do you know a lot about a particular topic are traditional employment options out of reach because of your disability then this is the book for you too many people assume that wheelchair users have little to contribute to the professional world or are unable to work simply because of their disability we know nothing could be

further from the truth we just need to be presented with the opportunity in blogging while disabled i will help you create that opportunity by showing you how to share your message with the world and how to make money doing it one of the best ways to start earning income when your wheelchair keeps you at home is by writing some people think you have to be the next ernest hemingway to start a blog but all you really need is an idea and some motivation this book will help you discover your passion as well as your voice for expressing it you will learn the nuts and bolts of creating a blog from coming up with a name to ideas for blog posts you will also learn strategies for helping potential readers discover you including social media sharing and search engine optimization there are also plenty of links and resources available throughout the book when you re ready to dive deeper into the world of professional writing award winning accessible travel writer and author sylvia longmire has been writing professionally since 2003 and working from home as a full time wheelchair user since 2014 in that time she has developed a highly successful career writing about wheelchair travel disability advocacy and border security she has also started several successful businesses to create a brand that is now recognized around the world in blogging while disabled sylvia shares everything she s learned that has made her a successful writer who just happens to use a wheelchair
