substantial evidence suggests that we are currently living at the peak of oil production with few prospects for cheap oil ever returning yet the media politicians and regular people have hardly started to talk about what this means oil literally runs our societies from transportation to food production to economic activity without oil everything stops there are powerful arguments that if we fail to increase oil production we will also fail to grow our economy as a whole for oil importing western nations the news is bleak higher oil prices seem to put a glass ceiling on their economic growth making current debt problems worse no matter what monetary and economic policies we might choose the world after cheap oil offers a thorough package of information about oil its uses and its role in our society s important sectors it presents the most prominent substitutes and alternatives and their limits and promises it also delves deep into the many risks problems and

mechanisms that can make the world after cheap oil a much more unstable place for nations and humanity as a whole the book also explains why there has been so little public debate on the subject and what the future might look like after oil production starts its final terminal decline

the business of war incisively interrogates the development and contemporary implications of the military industrial complex it exposes the moral dangers of life in neoliberal economies dependent upon war making for their growth and brings the christian tradition s abundance of resources into conversation with this phenomenon in doing so the authors invite us to rethink the moral possibilities of christian life in the present day with an eye toward faithful resistance to the business of war and its influence in every aspect of our lives in combining biblical historical theological and ethical analyses of the business of war the authors invite us to better understand it as a new moral problem that demands a new faithful response with contributions from pamela brubaker stan goff christina mcorrie logan mehl laituri kara slade won chul shin david swartz jonathan tran myles werntz matthew whelan tobias winright

the third edition of this acclaimed resource achieving excellence in fundraising explains the fundraising profession s major principles concepts and techniques with contributions from noted experts in the field and filled with illustrative examples this book demonstrates why fundraising is a strategic management discipline and clearly defines each step in the fundraising cycle praise for the third edition of achieving excellence in fundraising achieving excellence in fundraising brings together the voices of leaders in the field with the research expertise of the center on philanthropy at indiana university this winning combination makes the updated third edition an excellent resource for everyone engaged in nonprofit fundraising john lippincott president council for advancement and support of education case this book is the best road map coupled with creative approaches to the practice of fund development you will find the sections addressing donor interest and stewardship alone are worth the price take time to enhance your fundraising skills and most importantly increase your fundraising results tempel seiler and aldrich have collaborated on a publication worthy of serious study william c mcginly president and ceo association for healthcare philanthropy the third edition of this seminal piece of literature achieving excellence in fundraising is a wonderful continuation of a legacy that provides the nonprofit sector with a thoughtful comprehensive and well organized approach to contemporary and ethical fundraising practices the legacy lives on denny smith president and ceo cfre international one of the most significant challenges that the grantee organizations of foundations face is building sustainable resources achieving excellence in fundraising will help them build the fundraising program they need to do so steve gunderson president and ceo council on foundations today s donors seek new philanthropic experiences achieving excellence in fundraising couples the importance of good stewardship and relationships with innovation engagement and long term results this third edition takes a critical new look at a classic sector must read brian gallagher president and ceo united way worldwide
