wordpress is the best platform to create your website it s a lot easier to use than clickfunnels and a lot more user friendly it s easier to link up your pages than clickfunnels better for seo and an overall better experience wordpress has a lot of features that you need to add manually via plugins i didn't realise how important these plugins were until i used them and more than 5x my page speed time over the next month it skyrocketed my rankings even for keywords i wasn't really going after i'd see them rocketing to the top i've even been outranking some exact match domains seo is easy once you know what you're doing and a huge component of seo is having the correct wordpress plugins installed on your website most of these are free and some paid however the paid ones are worth it you won't find a summary of the best plugins anywhere else on the internet they either include too many plugins or too little plugins i've tested loads of plugins to deliver to you the most effective ones in the least amount of words i'value your time and don't want to waste your time making your read loads of unimportant words by the end of the book you! I understand the best plugins why they re important and that s it no fluff everything you need to know without wasting any time read the book today you won't be disappointed about gumke university gumke university was established to help the students get rich on their own terms without needing degrees matthew gumke believes his students can improve their health happiness and quality of

relationships by becoming financially free the younger they can achieve this the better unlike many other universities gumke university adapts to changes in the marketplace and gumke university focuses on tangible results not theories gumke university succeeds when students make money not when they correctly answer questions about the curriculum the reality is that some students win even if they don't know everything in the curriculum and other students lose even if they know the entire curriculum the difference comes down to the mindset of the individual student at gumke university all training programs are set up in a step by step system that helps the students succeed not just the owners of the university if changes in the marketplace occur the changes are implemented immediately not in a few years matthew gumke the owner of gumke university is best known for giving away millions of books to introduce people to his education when matthew isn't working he enjoys learning traveling the world relaxing eating great food and going to the gym
