how to write a novel every week the trick is in coming up with enough plots a wildly prolific early 20th century pulp writer william wallace cook was a writing machine at times he did indeed regularly turn out a full novel every week for weeks at a time while he set the bar for pulp fiction he was also passionate about the process of writing itself keeping notes on index cards he was able to distill the process of plotting down to a simple but thorough manual plotto why should you have a copy around

your writing office as cook tells it plotto is the greatest single aid in plotting ever offered writers make up your mind now to give plotto and this manual the time it deserves the best known writers in the world own and use plotto alfred hitchcock was an early student so was earl stanley gardner robert silverberg also gave a great review of the book this edition includes the seven lessons in plotto instruction manual also available in trade paperback
